CP STONEX

ABOUT US

Established in 2003, C P Stonex is a leading manufacturer of granite slabs, marble slabs, and natural stone from Kishangarh — Rajasthan's global stone capital. We supply retail, wholesale, and project buyers across India with factory-processed stone, consistent quality, and competitive factory-direct pricing.

Established 2003 · Partnership Firm — Manufacturer, Wholesaler & Retailer. 26–50 professionals. GST registered since July 2017.

Inspired by nature, crafted with perfection and curated with precision — C P Stonex transforms spaces with factory-direct granite and marble from Kishangarh.

The background of the image is a close-up of a granite surface. It features a complex pattern of fine, intersecting lines and veins in shades of light gray, beige, and off-white. There are also some darker, more muted tones interspersed throughout. A few small, distinct spots of reddish-brown color are visible, particularly on the left side, adding to the 'exotic' appearance of the stone.
